JSA LIFE SCIENCE[®]
for better Health

JSA LIFE SCIENCE[®]

Improves wellness with iron supplementation

Rx

JKORIA-XTTM Syrup

Ferrous Bisglycinate + Folic Acid + Zinc + Cyanocobalamin

*Helps in prevention
of iron deficiency*

*Increases RBC and
haemoglobin production*

*Helps in cell growth
and proliferation*

Folic Acid

B⁹

- Plays crucial role in production of RBCs
- Replenishes Vitamin B12
- Helps in vital organ prevention and development

Zinc

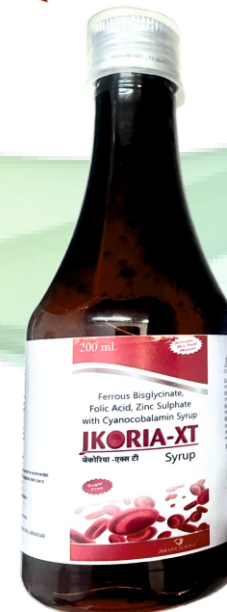

Zn

- Helps in increasing immunity
- Helps in making new cells and enzymes
- Promotes wound healing

Cyanocobalamin

B¹²

- Improves anemia and Vitamin B deficiency
- Improves overall wellness

Delicious Mix Fruit Flavour

Rx

JKORIATM Syrup

full of
Lycopene...

full of
Health

L-Lysine 15 mg + Lycopene 1000 mcg + Vitamin C 25 mg + Vitamin B1 1.5 mg + Vitamin B2 1.5 mg + Vitamin B6 1 mg + Zinc 1.5 mg + Manganese 1 mg + Folic Acid 200 mcg + Copper Sulphate 250 mcg + Vitamin A 1750 IU + Vitamin E : 5 + Copper Sulphate 250mcg + Iodine 50mcg + Selenium 17.5mcg

Lycopene

- Acts as an antioxidant preventing the free radical effect
- Prevents the oxidation of low density lipoprotein cholesterol
- Reduces the cholesterol levels in the blood
- Prevents the development of aging diseases

Vitamins

- Antioxidant countering the free radicals effect
- Repairs the wear and tear of tissues

Zinc

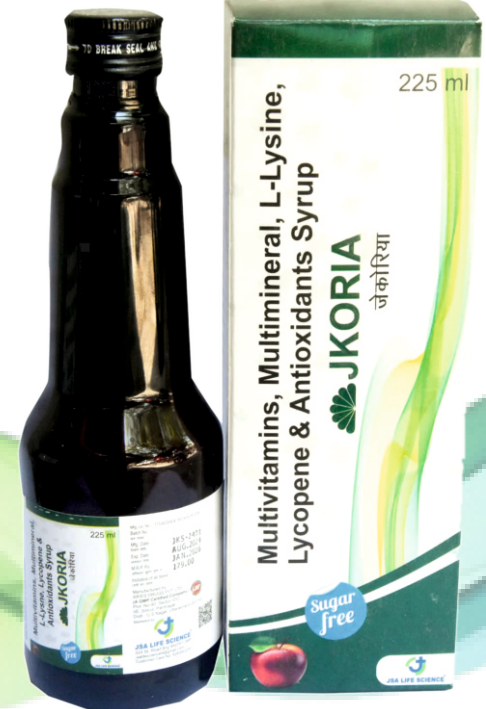

- Boosts the immune system

Selenium

- Strengthens the immune process reduces oxidative stress

Effective

- General Debility
- Coronary Heart Disease
- Pregnancy
- Male Infertility
- Macular Degenerative
- Diseases

THE Chain of
**PAIN &
INFLAMMATION**

Rx

LOACHE-PTM

Aceclofenac 100mg+Paracetamol 325mg **Tablets**

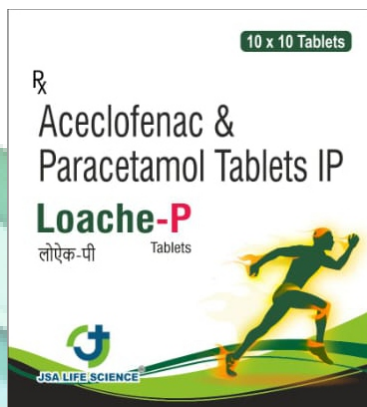

Aceclofenac

- Potent analgesic and anti-inflammatory activities
- Better safety profile than conventional NSAIDs
- Aceclofenac inhibits only cox-2 in the stomach -
- Least possibility of gastric irritation & ulceration

Paracetamol

- Effective Anti-Pyretic with
- excellent analgesic properties

Indication:

Spondylitis

Otitis Meida

URTI and Fever

Acute Low Back Pain,

Post Operative Pain

Inflammation & Painful Conditions

The Ultimate choice

Diclofenac Sodium Injection I.P

Rx

LOACHE-AQTM

Sterile Aqueous Base Painless Injection 75mg

Effective in:

- Strains & Slip Disc.
- Frozen Shoulder
- Rheumatoid Arthritis
- Post Operative
- Inflammatory Conditions
- Sciatica
- Sprains
- Post Trauma
- Osteoarthritis

Painful inflammatory conditions

Pain following dental surgery

Injury of muscles & tendons

Fast relief in "Stiff" Pain

The instant pain reliever

In Painful Inflammatory Conditions
Safety is of Paramount Concern

^{Rx} NIMACHE-PTM

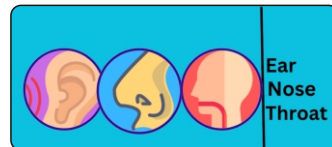

Nimesulide 100mg + Paracetamol 325mg

tablets

Nimesulide

- One of the safest & most effective NSAID
- Unique multi factorial mode of action
- Rapid onset of action within 15 minutes
- No risk of gastritis & hepatotoxicity
- Preserves cartilages Function
- Safe for asthma Patients

- ENT Inflammations
- Post operative pain
- Dental & arthritic pain
- Hyperpyrexia
- Post traumatic pain
- Dysmenorrhoea

Paracetamol

- Safe & effective analgesic & antipyretic
- Provides rapid relief from fever & body ache

*A Unique Combination in
Painful Inflammatory Conditions*

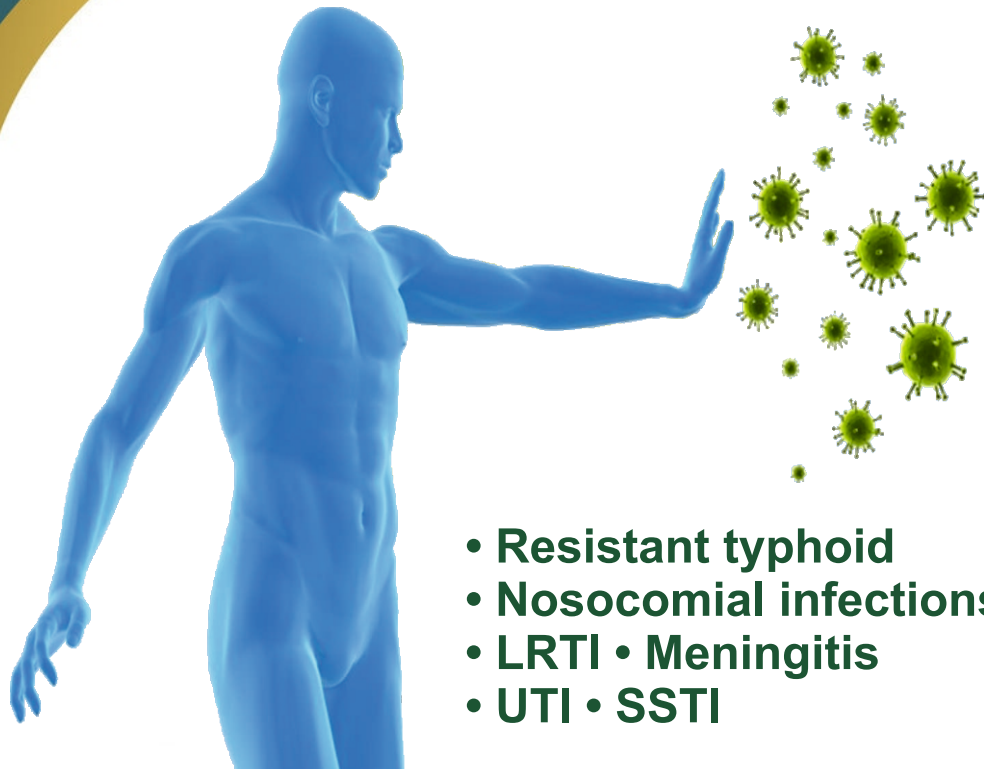

When the challenge is to treat
Life Threatening Infections

Rx

JSEF-SB 1.5gmTM

**Ceftriaxone Sodium I.P. 1000mg &
Sulbactam Sodium I.P. 500mg Injection**

- Resistant typhoid
- Nosocomial infections
- LRTI • Meningitis
- UTI • SSTI

- Superior to Cefuroxime for the treatment of acute bactericidal meningitis
- Longer duration of action amongst cephalosporins
- 10 times more efficacious than cefotaxime
- 100% Clinical & bacteriological response rates in SSTI
- Can be combined with Sulbactam to Increase its efficacy
- Ensure effective treatment of serious CAP & nosocomial infections

*More dedicated to
overcome the challenge*

Powerful Stroke

against typical Target

Rx

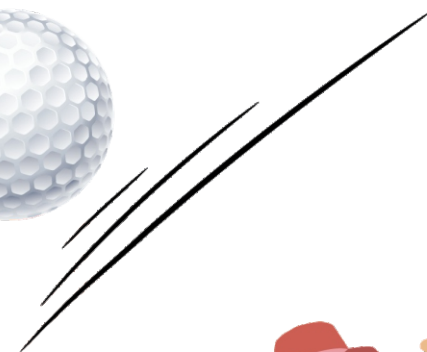

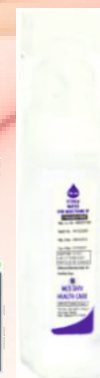

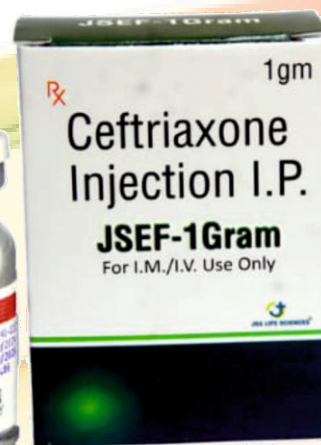

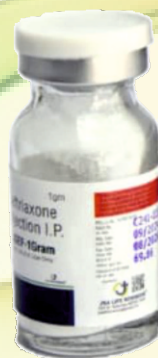

JSEF-1 GramTM

Ceftriaxone 1000mg Injection

Ceftriaxone

- High degree of stability against beta-lactamases (Both Penicillins and Cephalosporins) produced by both gram +ve & gram-ve microbes.
- Superior to another antibiotic in preventing both local & remote post-operative infections.
- More active than cefpodoxime & cefoperazone against pseudomonas aeruginosa
- Superior to penicillin for the treatment of severe leptospirosis

- *Septicemia*
- *Meningitis*
- *Nosocomial Infections*
- *Surgical Prophylaxis*
- *Bone & Joint Infections*

IN IRON DEFICIENCY PRESCRIBE
THE BEST CHOICE

Rx

JKORIA-XTTM

Iron Sucrose 100mg (5 MI) Injection

Indicated in:

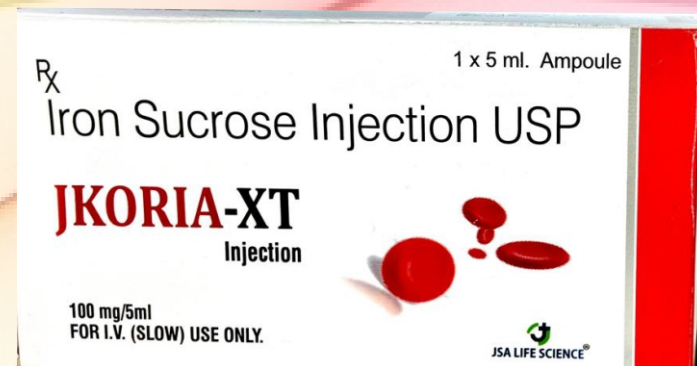

Iron Deficiency and Iron Deficiency anemia

Patients undergoing chronic Hemodialysis

- Ideal choice in oral iron intolerance, intestinal malabsorption
- Increases serum iron parameters and Hb levels in hemodialysis patients with renal anemia
- Restored iron stores faster and more effectively than oral iron in pregnancy anemia
- Safe in patients with previously documented intolerance to iron dextran
- Clinically efficacious, safe and well tolerated in pediatric anemia or iron gluconate

"Hematinic For
Severe Conditions"

Rx

JKORIA-LBTM

Lactic Acid bacillus 50 million spores + Nicotinamide 50 mg + Folic Acid 1500 mcg +
Pyridoxine Hydrochloride 3 mg + Cyanocobalamin 10 mcg + Zinc Sulphate Monohydrate 15 mg +
Calcium Pantothenate IP 20 mg + Biotin 100 mcg

Deliver Power & Keeps the person active

Vitamin B-Complex

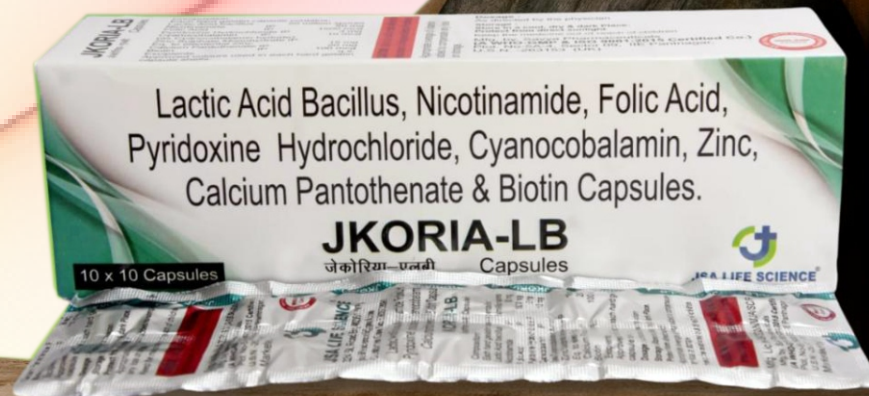

- HELPS IN DIGESTION & SYNTHESIS OF VITAMIN
- STIMULATES IMMUNE SYSTEM
- IMPROVES NATURAL RESISTANCE TO INFECTION

Zinc

- Helping to lower skin inflammation associated with rashes, allergies or irritation (including diaper rash)
- Aiding in recovery of burns and damaged tissue
- Lowering inflammatory dermatoses (including rosacea)
- Improving synthesis of collagen and forming of new connective tissue
